

SpectrumU TV

SpectrumU TV is a video streaming service that delivers a wide variety of live TV, entertainment, news and sports programming, including the on-demand television shows and movies students expect.

SpectrumU TV Overview

Colleges and universities are challenged today to keep their students engaged, informed and entertained on their campuses. Delivered to iOS and Android mobile devices, tablets, laptops, desktops and Roku devices over your existing campus network, SpectrumU TV is designed to help meet that challenge by allowing students to use the device of their choice.

Benefits to higher education institutions:

- **Increase student engagement** – Deliver the TV programming students want via their preferred device and at the time and campus location of their choosing
- **Lower capital expenditures** – Require no equipment to purchase and maintain
 - Students watch SpectrumU TV using their mobile devices, tablets, laptops and desktops
 - No expensive head-end, caching and transcoding equipment is required
 - No maintenance, storage or cooling requirements
- **Eliminate installation of additional infrastructure** – With no coax wiring or rewiring needed, SpectrumU TV is delivered through the existing campus network from the Spectrum Enterprise content delivery network
- **Streamline business operations** – Allow IT teams to focus on more strategic initiatives with no equipment to install or maintain and 24/7/365 phone, online and local, certified technician support

Benefits to students:

- **Improve convenience and satisfaction** – Access the wide variety of live TV programs and on-demand shows and movies students want, wherever they are on campus via the device of their choice

- Live TV with large channel lineups and the ability to restart shows
- Over 7,000 hours of on-demand content including previous episodes and full series, hit movies and more. Watch an entire series of shows with our automatic sequencing feature
- **Provide flexible viewing options** – Watch on the iOS or Android mobile device, tablet, laptop desktop or Roku device of your choice
- **Find programming fast** – Enjoy fast and easy keyword search, guide filters and sorting features
- **Add personalization** – Use the favorite functionality feature to create a personalized guide menu

Whether you're looking for a larger core channel lineup or considering expanding your available viewing options, Spectrum Enterprise has a variety of programming bundles and add-on channels available to help meet all of your entertainment needs.
