

Set Back Box TV for hospitality

Set Back Box TV for hospitality

Set Back Box TV for hospitality is an HD video service that is customizable, scalable and cost-effective. The service helps hospitality locations provide a homelike viewing experience that keeps guests informed and entertained.

Product highlights

- Homelike viewing experience:** Offer your guests a full portfolio of HD programming – access to over 200 channels; 7,000+ hours of FREE on-demand content with the ability to fast forward or rewind up to 60 minutes and pause live TV; and an interactive program guide that provides a user-friendly experience
- Reinforced branding:** Include your company logo within the customizable channel guide. Share site-specific content with optional channel insertion capabilities
- Real-time management control:** The easy-to-use Video Services Portal enables administrative control, visibility and management over HDTV services

- Scalability:** Purchase the high-definition TV services you need today with the flexibility to easily add more packages, features and outlets tomorrow
- Reliability:** Depend on video services that are carried over the Spectrum Enterprise fiber network, complete with 24/7/365 network monitoring
- Cost-efficiency:** Reduce capital investment with no costly head-end equipment or rack space required
- Convenience:** Enjoy the benefits of a single-source provider offering Internet, voice, television, network and cloud services.
- Dedicated support:** Rely on our technical specialists 24/7/365 to support your HDTV services
