

Provider or partner? Consortia don't have to choose

Spectrum Enterprise offers the services you need with the experienced support you deserve

More than just a telecommunications service provider, Spectrum Enterprise is a partner with a dedicated rural healthcare team to help consortia leaders fulfill their members' needs in the Rural Health Care (RHC) Program.

For over a decade Spectrum Enterprise has been providing reliable, flexible internet and networking services, voice and TV solutions for healthcare. Our rural healthcare technology and subject matter experts are fully invested in your success. We provide eligible services for your members and have strong back-office support, including invoicing, disbursements, billing, reconciliation and more.

We partner with over 119,000 healthcare organizations nationwide to deliver the network infrastructure necessary to empower the delivery of transformative, patient-centric care. Our technology solutions enable rural providers to connect with other healthcare providers and securely share information over long distances so patients can get the care they need without leaving their communities.

Discover cost-effective solutions

The following Spectrum Enterprise solutions are available at discounted rates through the RHC Program:

Fiber Internet Access

Achieve dedicated, symmetrical connectivity up to 100 Gbps, and proactive, 24/7/365 monitoring to ensure network performance and uptime.

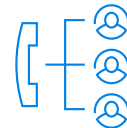

Ethernet

Meet ever-growing data needs by connecting locations with a fast, reliable wide area network (WAN) solution built on a dedicated fiber infrastructure.

Cloud Connect

Get a private connection to your cloud service provider for fast, secure and reliable cloud performance.

Enterprise Trunking

Maximize the value of existing PBX or key systems with scalable PRI and SIP Trunking solutions for premises-based phone systems over a fiber network.

It's not just technology, service matters too

With years of experience in the healthcare field we know firsthand how important it is to have seamless implementation and outstanding support. We are committed to ensuring an exceptional client experience with local account teams and technicians, 24/7/365 phone support and an end-to-end service-level agreement. We're easy to work with, so you can smoothly serve your consortia members.
