

Juggling all the facets of your franchise is no easy feat

Keep every ball in the air with Spectrum Business® franchise solutions.

We're in the business of your franchise success.

No matter if you're a franchisee or a franchisor, you're always on — managing operations, customer expectations and the overall brand experience.

There's no time for downtime.

THE JUGGLE NEVER STOPS.

That's why we have created our Managed Workplace Package for you.

ONE SOLUTION CUSTOMIZED FOR YOU

Your franchise merits a workplace package that can flex and adapt to industry shifts, customer expectations and business objectives.

ONE PLATFORM = SINGLE SOURCE OF TRUTH

Operate your network simply from a single platform that provides the security, support and operational efficiency your franchise demands.

ONE PARTNER TO GUIDE YOUR GROWTH

From a co-managed to a fully-managed solution, you can rely on one point of contact to install, maintain and support your cost-effective connectivity.

Solutions designed for every franchise industry.

Whether you're in the quick-service restaurant world, business services field or work in retail, you and your franchise demand a customized, connectivity solution that yields uninterrupted success.

DEDICATED INTERNET

Power your productivity via our dedicated, high-performance internet service.

SD-WAN

Quickly expand your network to additional sites while improving performance.

UNIFIED COMMUNICATIONS

Seamlessly communicate and collaborate with calling, videoconferencing, messaging and more in a single application.

MANAGEMENT PORTAL

Gain visibility and control across your entire network from anywhere via a single, cloud-based portal.

WIFI

Deliver secure and simple access to your network for employees, customers and clients.

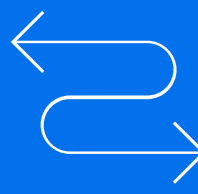

TV SERVICES

Deliver reliable TV and streaming services with customized channel lineups to fit the demands of your business.

ADVANCED SECURITY

Mitigate risks with an integrated security solution managed by our network experts.

SWITCHING

Reduce complexity by connecting your existing office infrastructure.

Managing your franchise is complicated.

Streamline and simplify franchise management with connectivity and managed solutions from Spectrum Business.
