WELCOME TO TV STREAMING ACCESS

Streaming video the way your guests want it

Thank you for choosing TV Streaming Access

Your guests can now stream the same live and on-demand programming that's available on their in-room TV on their personal devices anywhere on your property with an IP connection.

With the Spectrum Enterprise TV app, your guests can:

• **Watch TV anywhere on your property** from their personal mobile devices (iOS® and Android™), tablets and computers.

• **Enjoy simultaneous streams** so each guest can choose their own programming on their personal device.

• **Resume the entertainment** that they started watching in-room throughout the property on their personal device.

• **Find content fast** with advanced search, filter and favorites functionality.

Getting started is fast and easy

Guests can visit the Apple App Store®, Google Play Store® or Amazon Appstore to download the Spectrum Enterprise TV app.
