SpectrumU[®]

Streaming video the way your students want it

Thank you for choosing SpectrumU

Your students can now stream their favorite shows and on-demand content anytime, right from their favorite devices.

With this new app your students can:

- **Watch TV anytime** through their personal mobile devices (iOS[®] and Android[™]), tablets, laptops, desktops and Roku[®] devices
- **Access a robust channel lineup** with local entertainment, sports programming and more
- **Watch more than 7,000 hours** of on-demand content, including previous episodes, full series, hit movies and more
- **Find content fast** with advanced search, filter and favorites functionality

Looking for more?

Additional channel bundles may be added to your SpectrumU lineup at any time. Contact your sales rep for details.

Getting started is easy:

- Students can visit the Apple App Store®, Google Play® or Amazon Appstore to download SpectrumU® (*TIP: To avoid finding the SpectrumTV app, which is a separate app, students should search for "SpectrumU," not just "Spectrum"*)
- To access via Roku® devices, select Spectrum TV from the Roku Channel Store
- To view SpectrumU on a computer or laptop, students can visit **SpectrumTV.com** while connected to your campus network

The following devices and OS version numbers are currently supported:

- **All major Android™ smartphones** and tablets running Android™ 4.2 or above
- **iPhone, iPad or iPod touch** running iOS® 8 or above
- **Kindle Fire Phone, all Kindle Fire models** except for the first-generation model
- **Mac:** Safari 7 or newer, Firefox 45 or newer or Chrome 43 or newer
- **PC:** IE 11, Chrome 43 or newer, Firefox 45 or newer or MS Edge 12 or newer
- **Roku:** All second-generation players and TVs

Students must be connected to the campus network to access SpectrumU.
